For the 2005 Swimming season, the Mount Joy Lions Swim Team will collect a \$20.00 escrow fee to pay the entrance fees for invitational swim meets during the season. Most invitational swim meets, including All-Leagues, charge a small fee (\$1.50 to \$2.50) for participation in each event. By collecting the escrow fee at the beginning of the season, we hope to eliminate the confusion and the trouble of collecting a few dollars for each invitational meet.

A swimmer's escrow account is charged for each event entered, even if the swimmer does not actually swim the event. If the amount charged exceeds \$20, the family will be responsible to reimburse the club by the end of the season. If a swimmer does not use the entire \$20.00 escrowed amount during the season, the difference will be refunded at the end of the season. No remaining amounts will be carried over to the next season. Refunds under \$2.00 will not be made unless specifically requested.

Families who are reasonably certain that they will not participate in invitational swim meets do not have to place any money in the escrow account. However, if an invitational event is entered, the entrance fee must be paid to the club treasurer prior to participating.

PARENT VOLUNTEERS ARE NEEDED TO SUPPORT THE SWIM TEAM. IN FACT, EVERY MEET NEEDS APPROXIMATELY 30-40 PARENTS WORKING TOGETHER.
